

## **Anti-Obscenity Bill Endorsed**

In view of the "rapidly increasing commercial traffic in noxious printed and pictured material" (obscenity and pornography); and

WHEREAS there is pressing urgency to deal with this problem which is posed by the threat of this filthy sewage; and

WHEREAS the producer, purveyor, distributor, and seller of this insidious poison reveal an unconscionable exploitation of our people for the sake of a "fast buck;" and

WHEREAS there is, we believe, a definite affinity between this subject and the evident increase of delinquency, lawlessness, and much of the anti-social behavior in our land;

THEREFORE BE IT RESOLVED that the General Association of Regular Baptist Churches, assembled in its annual conclave at Long Beach, California,

**Commend** the Honorable J. C. Oliver, member of Congress from the state of Maine, for his introduction of H. R. 11454—"a bill dealing with noxious printed and pictured material;" and

**Urge** upon the Chairman of the House Committee on Education and Labor, the Honorable Graham A. Barden, an early hearing and favorable reaction to this bill; and

**Alert** our people to the necessity for tireless, energetic, and definite aggressiveness in the combating of this diabolical attack on the minds of our own and future generations.
