

Year of the Sunday School

WHEREAS the Sunday School was established 200 years ago to reach young people that were not attending or interested in God or the local church and its ministry; and

WHEREAS this organization has been used during the past two centuries in most gospel preaching churches to reach young people; and

WHEREAS it has been expanded over the years to reach adults, as well as young people, with many variations in the programs of individual, local churches;

BE IT RESOLVED that we, the messengers of the churches in fellowship with the GARBC, in annual session in San Diego, June 23-27, 1980, continue to promote and use this vital means of reaching people with the message of redemption; and

BE IT FURTHER RESOLVED that we encourage our churches to emphasize the Sunday School during this anniversary year.
