

## **Federal Aid to Parochial Schools**

WHEREAS the Roman Catholic hierarchy has taken such an aggressive position in the matter of federal aid to parochial schools and has thus attempted to shatter the constitutional principle of the separation of church and state; and

WHEREAS the fragmentation of the public school system is thus impending; and

WHEREAS Roman Catholic lobbyists have thus laid the groundwork for the segregation of the American people along religious lines;

THEREFORE BE IT RESOLVED that we, the messengers of the General Association of Regular Baptist Churches, meeting in annual session at Winona Lake, Indiana, urge our people to utilize every constitutional means to influence their elected representatives to hold the line against the break-down of our American heritage.
