

## **Spiritual Awakening**

WHEREAS we realize that we as individuals have been saved wholly by the sovereign grace of God, without human merit or works; and

WHEREAS we realize that each saved person is indwelt by the Holy Spirit; and

WHEREAS we also realize that it is true that we need a special visitation of the Lord in revival power throughout our Fellowship;

THEREFORE BE IT RESOLVED that we call upon all of our churches and pastors to make the year ahead a time of great and earnest seeking for a blessed rekindling of the holy fires of spiritual awakening throughout our Fellowship.
