

Evangelism and Evangelists

WHEREAS the hour is late and the return of Christ seems very near, and because we believe that all men are lost without Jesus Christ, Who is the only Savior, and because so much unbelief, confusion, and compromise abound;

THEREFORE BE IT RESOLVED that we, the messengers of the churches in fellowship with the General Association of Regular Baptist Churches, gathered together in Annual Conference at Kansas City, Missouri, June 25–29, 1973, pray, preach, and witness as never before, using Biblical methods and depending on God's Holy Spirit, seeking to reach lost souls throughout the world with the only saving gospel; and

BE IT FURTHER RESOLVED that we plan and promote and conduct special seasons of evangelism in our churches with our evangelists to the end that the entire church may be revived and many souls be saved.
