

Morality in Government

WHEREAS it is generally agreed throughout the United States that we have dropped to a new low in politics and government; and

WHEREAS corruption abounds and violence is sometimes used to gain selfish or party advantage;

BE IT THEREFORE RESOLVED that we, the messengers of the churches of the General Association of Regular Baptist Churches, gathered in Annual Conference at Kansas City, Missouri, June 25–29, 1973, dedicate ourselves anew to pray for those in authority, to refrain from unjust criticism and the spreading of rumors, to keep enlightened as much as possible in public affairs, and pray and work for justice, fairness, equality, and honesty in government.
